Navigating Qualtrics

---

The actual chance to do what we learned

---

#### 5. What aspects of the workshop would you change?

Little more time to work with help. Thanks you did a great job!

---

None it was good

---

None (2)

---

I should have brought my laptop

---

More information on end-of-year survey you use

---

Larger screen. Realize you worked within equipment provided

---

More time

---

The Greenbrier needs to provide better Wifi so conference attendees can work on technology with ease. No fault of our presenters!

---

None. Enjoyed it

---

Good information

---

Hands on

---

Not enough time :)

---

Formally discussing analysis

---

More individual help

---

Screen was really hard to read.
