

Fairfield County 4-H
HIGHLIGHTS

The FC 4-H Development Committee is beginning to do a social media promotion. They want to highlight a member, leader or parent each week on Facebook. How can you participate?

- Fill out the appropriate section and return it with a head shot (can be digital) of yourself to Donna.
- Send a short (less than 30 seconds) video of yourself answering the appropriate questions and email to Donna. Do not say your last name or the town in which you live.
- Wait until Public Speaking where we will be collecting information after each person speaks.
