

A Light for Others

UConn 4-H New London County

Background

We all have the ability to make a positive difference in the world. We can use our unique strengths and skills to encourage others. A kind word and a smile can cheer up someone's day. You can help a classmate who is having a hard time understanding a lesson at school. You can donate old clothes that don't fit you anymore. The possibilities are endless! Write down a list of ways you can help the people around you. Complete this craft to remind you to be kind to all.
