The UConn 4-H Hall of Fame recognizes **significant** contributions (depth, scope and impact) at all levels with 4-H service on the county, state, regional or national level. Selection is based on four criteria:

- Evidence of a positive impact on the lives of 4-H youth
- Evidence of a positive impact on the 4-H program
- Personal Attributes
- Personal Involvement in 4-H

Clear evidence of significant contributions with impact and influence on 4-H is essential. Describe things the nominee established that were multi-faceted, unique and grew because of their leadership. Contributions and leadership that extend beyond county impact are important. This includes changes or additions to 4-H programs initiated by the nominee or as a member of a team. Supportive data should include numbers that show 4-H growth, an increase in member and leadership opportunities and/or evidence of how the nominee extended 4-H potentials to existing and new audiences. Evidence may also focus on how 4-H membership impacted career and life choices and a continued connection with 4-H.
