CHEVRON HUMANKIND

EMPLOYEE COMMUNITY INVOLVEMENT PROGRAM

Chevron Humankind matches financial contributions made by U.S. employees and retirees to nonprofits and provides grants for volunteer time. Chevron encourages employees and retirees to become personally involved in the communities where they live and work. Chevron Humankind is intended to improve the quality of life in these communities. It creates a partnership and increased visible engagement amount employees, retirees, the company and community organizations. Chevron supports this partnership with cash matches to community organizations to which employees and retirees voluntarily contribute personal funds or volunteer time.

We are a 4-H Youth Club that focuses on science, engineering, and technology in the robotics community. Our aim is to teach our youth life skills, leadership, and responsibility for the future with advances in robotics sciences.

PowerSurge 4-H Robotics, team # 2712, is 1 of 55 FIRST Robotics Competition teams in CT.

FIRST Robotics Competition (FRC) is an international high school robotics competition. Each year, teams of high school students, coaches, and mentors; under strict rules with limited time and resources, are challenged to build industrial-size robots to play a difficult field game in alliance with other teams.

This is Team 2712 at FRC event at Hartford HS. Pic on left is team in crowd watching others compete. Pic on right is team getting our robot ready to compete.

We are always looking for new youth members, adult mentors and corporate sponsors that have interests in advancing any field of business, science, engineering, and technology.

- To be a member, we are looking for youths ages 13-18, from any school or home school.
- To be a mentor, it's by application and must pass a background check, but we typically need help with administrator, media, engineering, tool making, CAD, or computer science.
- To be a sponsor, if you're interested in advancing youth through robotics, our club's goal is to raise \$15-20k per year from sponsorship. All sponsorship donations cover the cost of purchasing new equipment, parts and services, and FRC competition fees.

The team hosts its own community fundraising events throughout the year to cover entertainment, food and travel.

There is never a bad time to join our club, but our season generally runs from September to July.

Our meetings are held at "Aces at Chase" in Waterbury.

September through December is our Learning Season. We meet twice a week and learn new technologies, practice building robots, and hold outreach events at Bethlehem Fair, Big E along with fundraising and a charitable event.

January through March/April is Build Season, dedicated to FRC Competition, design and building our robot and compete in 2 weekend events.

April through July is our FUN season, where we meet to do whatever, we want, team building events, and end of season parties.

- \$5.00 entry fee covers insurance, waters and snacks for you and your dog.
- Please make checks payable to Fairfield County 4-H.
- Entry forms available at www.fairfieldcounty4h.org

DOG SHOW CLASSES

Intro to Showing and Obedience Class

1. Members may show in this class for 1 year. The class includes elements of both obedience and showmanship. The objective of the class is to demonstrate that the member's dog has learned how to sit, stay, come when called, and walk calmly on leash which is used in Obedience ring, as well as a basic gaiting pattern and basic exam that is used in the Showmanship ring. The member will demonstrate general knowledge of dogs and dog care, including home care, feeding, health, and their dog's breed (or most predominant breed in the case of All-Americans). Members entered in this class do not enter any other obedience or showmanship class at this show.

Showmanship classes

2. **Novice** (1-2 years experience)

A -Junior class B -Senior class

3. **Intermediate** (3-4 years experience)

A -Junior class B -Senior class

4. **Advanced** (5 or more years experience)

A -Junior class B -Senior class

5. **Open** -Handler who has shown at least 3 times at non-4-H shows OR those that handle dogs for others as a job (i.e professional handler or professional handler's assistant)

A -Junior class B -Senior class

Obedience classes

5. **Sub-Novice A**- For first year exhibitors (not including Intro to Showing and Obedience class) Dogs must not have been shown competitively in Sub-Novice B or more advanced classes

6. **Sub-Novice B**- Dogs must not have been shown competitively in Sub-Novice C or more advanced classes

Sub-Novice A and B- All exercises are performed on leash. These include: heel on lead (45 points), Figure 8 (25 points), Stand for Examination (30 points), Recall (40 points), Long Sit- 1 minute (30 points), Long Down- 3 minutes (30 points).

7. **Sub-Novice C**- Dogs must not have been shown competitively in Beginner Novice or more advanced classes

Sub-Novice C- All exercises are done on leash. Exercises include: Honoring (40 points), Heel on Leash and Figure 8 (40 points), Stand for Examination (40 points), Recall Over Jump (40 points), Long Sit- 1 minute (40 points)
