

88TH
ANNUAL
HARTFORD
COUNTY
4-H FAIR

Four Town Fairgrounds, Egypt Road, Somers, CT

August 16, 17, 18, 2024

Dear 4-Hers, Families, Friends and Supporters,

I would like to welcome you all to the 88th annual Hartford County 4-H Fair! I want to start off with a massive thank you to everyone in our 4-H community, whether you're a parent, 4-Her, sponsor or a volunteer everyone has their role in making every fair happen. I am very happy to see the participation and collaboration of everyone come together each year! This being my final year as a 4-Her reminds me of all the great times I've had at every fair I have attended. While each year I was showing I would get very nervous, I always had my 4-H family behind me supporting me every year. I have made lifelong friends and for that 4-H is irreplaceable.

Every time I think of my years in 4-H I am reminded of a quote by Les Brown "Help others achieve their dreams and you will achieve yours". I believe 4-H is a massive collaboration between everyone involved to achieve their dreams and push ambition. At every 4-H fair I have attended I see the community we all work together to build. I see the older 4-Hers helping the younger kids prepare their projects and themselves for shows and celebrate success. While we all may be competitive with each other it is always great to see the true friendships we have all made shine through. Every congratulations and shared laugh is truly what makes 4-H what it is.

This year I would like to showcase our pledge and ask that you pay attention to those around you and notice how much "head, heart, hands, and health" everybody puts into 4-H. As the 4-H pledge states we put our everything into our projects; picking the best flower or vegetable, getting the best camera angle, fitting an animal or sewing the best outfit, programming and building the best robot for the task (and much more!). And all the adults that help us 4-Hers make everything happen. Everyone puts all they have into making our fair great. The support we get and the blood sweat and tears put into every project throughout the year is what makes 4-H what is and hopefully always will be.

I have grown so much in every aspect of my life and I owe it all to 4-H if I didn't have the support I've had from this great organization I wouldn't be who I am today. Once again I would like to say thank you to everyone who makes our fair happen! On that note I will leave you with a challenge to help others and carry on the support I felt through my years in 4-H.

Sincerely,

Cota Watson

The Hartford County 4-H Fair Association
is proud to dedicate our 2024 Fair Book
to

Billy Collins

Billy's roots were planted in Hartford County as a 4-H member. He was a member of the Merry Moo-ers 4-H Club where he exhibited his heifers at the 4-H Fair and participated in a woodworking project. Billy enjoyed the comradery of fellow club members who had cows, as well as setting up the fair during work week. He is the 4th generation on the family farm, Fair Weather Growers in Rocky Hill, CT. The farm started as a dairy farm but then transitioned to a vegetable farm. He passed on his passion for farming and 4-H to his children who serve as Fair Officers. Billy has been a huge supporter of Hartford County 4-H Fair. He brings tractors to pull the hay wagon and brings the barrel train that the kids love to ride on. Bill has also generously donated straw for animal bedding and gives countless volunteer hours to the fair annually.

Thank you, Billy, for all that you do for Hartford County 4-H!

What is UConn Hartford County 4-H?

For over 100 years, UConn 4-H has helped Connecticut's young people to develop skills and attitudes that will serve them throughout their lives. 4-H, which is the largest dynamic youth organization in America, promotes self-confidence, personal well-being, and environmental responsibility. 4-H offers free group and individual educational opportunities to encourage youth to wonder, explore, experience and grow in mind and body.

Through fun activities under the guidance of caring and knowledgeable professionals and volunteers, young people (ages 5-19) learn about themselves and their world. This organization helps 4-H'ers to build on their strengths as they try new things, reach out to others and compete with themselves to achieve their goals and receive recognition for their accomplishments.

UConn 4-H is the youth development program of the University of Connecticut Cooperative Extension System. As a part of the College of Agriculture, Health and Natural Resources, Hartford County 4-H belongs to a nationwide educational network through Cooperative Extension and the U.S. Department of Agriculture.

GENERAL RULES AND REGULATIONS

All Connecticut 4-H Fairs, including the Hartford County 4-H Fair, require proof of current rabies inoculations for all species for which there is an approved rabies vaccination, in addition to current health paper and approved permanent identification appropriate for that species.

All CT 4-H shows will adhere to health requirements and advisories set forth by USDA and State of CT with review and recommendations by UConn CAHNR. Please note, health requirements may change after animal verification forms and/or fair entries are turned into the 4-H office causing shows to be canceled at any time.

1. Entries in any of the classes will be open to Hartford County 4-Hers who are at least age 7, but not yet 19 before January 1, of the current year, unless otherwise specified in individual class rules. 4-H members in clubs or individual 4-H members must be enrolled in any project area by May 1 of the current year. Participants in special interest and enrichment programs must be enrolled by July 15 of the current year. **No exhibit will be entered without the appropriate yearly record and project record sheet. Project record sheets must be included in a completed 4-H Record Book. Animal entries must have the appropriate UConn 4-H Animal Verification form for each animal being entered, on file at the 4-H office by the specified date given by the UConn 4-H program.**
2. 4-Hers entering projects in the Exhibition Building may list projects on the Yearly Record sheet if less than 15 items are being entered in the category (class). The full record book including a separate record sheet for each class is required if the 4-Her wishes to be considered for Grand and Reserve Champion or for Premier Showman of Exhibition Center (not applicable to Booths).
3. There will be no entry fee on exhibits shown by Hartford County 4-H members at this Fair.
4. All livestock, poultry, rabbits, pocket pets, donkey, dog show, agriculture education, demonstrations, and booth entries must be made in advance using the entry links in this book. **NO OTHER ADVANCE ENTRIES REQUIRED.** Entries must be received by the August 1 deadline to allow time for proper classification and arrangement of exhibits. No premiums will be paid on entries received after the deadline. Late entries may not be allowed to exhibit due to space limitations.
5. All articles exhibited at this Fair must be the property of the exhibitor, and must have been made or raised by the exhibitor, as a 4-H project since September 1 of the current 4-H year. (No graded projects made in school during a formal class with the teacher advising students.) All UConn 4-H Animal Verification and lease forms must be submitted by their deadlines in order to participate in this 4-H Fair. A 4-H member can not lease more than two animals of the same species.
6. **ALL LIVESTOCK OR ANIMAL EXHIBITS MUST BE FITTED EXCLUSIVELY BY THE EXHIBITOR OF THE ANIMAL. ONLY EXHIBITORS ARE ALLOWED TO HANDLE AND GROOM ANIMALS ONCE ON THE FAIRGROUNDS. Any violations of this rule should be shared directly with the 4-H Educator.**
7. All Dairy, Beef, Working Steer, Sheep, Goats, Swine, Donkeys, Llamas, Rabbits, and Poultry staying the weekend, must be entered and on the grounds on Thursday between 2:00 p.m. and 10:00 p.m. (Animals that are not Hartford County member's projects can not stay for the weekend.) Check specific class for exceptions to arrival times. **No animal can be unloaded until verification and health forms are checked. Proof of current rabies inoculations must be shown. Animals must be free from open or draining wounds. The decision of the Fair Advisors with consultation of the Extension Educator is final.**
8. Exhibition Center exhibits can be entered between 4:00 p.m. and 8:00 p.m. on Thursday, or between 8:00 a.m. and 9:30 a.m. on Friday. No exhibitor numbers will be issued after 9:30 a.m. Friday except for Dog entries on Saturday.

9. All animals must remain in their respective barn areas when exercising. No animals are allowed on the midway. Use caution around the spectators. Animals must be able to be controlled by the exhibitor. Unruly animals may be dismissed from the grounds.
10. Livestock will be judged by the Standard system except for showmanship classes which will be judged on the Dual-Merit system; all other exhibits will be judged by the Danish system unless specified otherwise in a class. See a detailed explanation of each on page 12.
11. When there is no competition, each animal or article shown will be judged and placed according to its own merits. All awards will be made at the discretion of the judges, and are outlined in each class.
- 12. The decisions of the judges are final.**
13. No person will be allowed to interfere with the judges while in discharge of their duties, and any person so interfering will be excluded from competition. Competent judges will be chosen to judge all exhibits. There is to be no coaching of exhibitors by spectators.
14. All 4-H project animals are shown at the risk of the 4-H member. During the Fair all exhibits are under the direction of the appropriate 4-H Fair Association, who will exercise every reasonable care in the protection of exhibits. In no case will the said Fair Association or management be responsible for any loss or damage that may occur. Each exhibitor will be solely responsible for any loss, injury or damage to any animal; or loss, injury or damage done by or arising from any animal exhibited by him/her and shall indemnify said Fair Association against legal or other proceedings in regard thereto. IT IS ADVISED THAT ALL EXHIBITORS GIVE PERSONAL ATTENTION TO THEIR PROPERTY, AND AT THE CLOSE OF THE FAIR TAKE CHARGE OF THE SAME.
15. No exhibit may be removed until released by the Department Steward or Superintendent on Sunday after Closing Ceremonies unless in the event of an emergency, either medical or personal it is deemed in the best interest of the 4-Her, their project(s) and the Fair Association by the Adult Department Steward that the 4-Her and their project(s) be sent home. It shall be done without any penalty, loss of premiums or awards earned.

HOW EXHIBITS SHALL BE JUDGED

Overview - The purpose of judging or evaluating exhibits at the 4-H Fair is to enable 4-H members to learn from the judges different methods of completing their project and showing their exhibit.

THE STANDARD SYSTEM: Each exhibit is judged against others in its class. Awards are made accordingly. **All livestock will be judged under the Standard System**, with the exception of showmanship classes, which will be judged under the Dual-Merit System.

THE DANISH SYSTEM: Each exhibit is judged on its own individual merit. **All non-livestock exhibits will be judged under the Danish System**, unless stated otherwise within the class. Point values for first, second, and third awards have been set for each lot of each class. The Executive Committee of the Fair Association will determine the cash value of a point.

THE DUAL-MERIT SYSTEM: Each exhibit will be judged by BOTH the Danish System AND the Standard System. **All showmanship classes will be judged using the Dual-Merit System.**

GRAND AND RESERVE CHAMPIONSHIPS: Only 4-Hers that completed the proper record sheets are eligible to be considered for Grand and Reserve Champion awards. In most classes judged by the Danish System, unless otherwise stated in the class rules, championships will be awarded on the basis of an individual's total blue ribbon points for that class. Ties will be broken by total red ribbon points for those individuals, and if necessary, by total white ribbon points. *If no blue ribbons are received, no championships will be awarded.* **A Best of Show ribbon may be awarded at the judges' discretion** in each class judged on the Danish System.

JUNIOR AND SENIOR: All Exhibition Center classes, with the exception of Booths and Record Books, will be judged according to Juniors (4-H members through age 12) and Seniors (ages 13 through 19). Ages are as of January 1st of the current year.

The Premier Showman of the Exhibition Center is a competition to determine the overall show person in the Exhibition Center. This prestigious award recognizes an individual's ability to create several award-winning exhibits as well as measure their ability to discuss a variety of aspects of their exhibits. Considering the strict criteria necessary to compete, it is an honor to even place in the top ten.

For an individual to qualify to compete for the Premier Showman of the Exhibition Center, the individual must satisfy the following criteria:

- Must have submitted an exhibit in at least 4 different Exhibition Center classes, excluding Record Book class, with completed separate Project Record pages for each Class inserted in the record book.

- An Individual's booth may be considered part of an exhibit and must be recorded on the Yearly Record page for that Class.
- Must have received at least one Grand Champion award (senior or junior).
- Must be available to meet with the judges on Sunday morning.
- An individual may be eligible for the Premier Showman Grand Champion award more than once, **only** if they represent a different grand champion class.

From the list of qualifying individuals, the top ten will be selected to compete according to the number of awards they receive in the following order: blues, reds and whites. Once the ten finalists have been selected, their ranking is established by interviews with the judges. Each individual must select 3 of their exhibits which showcase the extent and quality of their work to discuss with the judges.

Judging Criteria:

- Ability of the exhibitor to show their projects and discuss their choices and techniques used.
- Quality of the exhibits.

The Premier Showman will receive a special award at the Annual Fair Awards Night.

RECORD BOOKS - CLASS 1

Sponsored by: Beth Riordan, Greer, SC

4-H members are encouraged to keep records as part of their leadership experience. Your 4-H records present a picture of your growth and development as a 4-H member. Accurate record keeping will provide you with personal satisfaction as you record your accomplishments and see improvement in yourself and in your project work. To be of greatest value, Record Books should be kept up to date as the project develops, not made up or carefully copied at the end of the project. Ribbons, news clippings, photographs and other items of recognition are not to be kept in record books. They are appropriate for a 4-H scrapbook. One or two select pictures or news clippings that apply directly to the project area and which add to the value of the record may be included with the record sheets only where requested on the record sheet.

1. 4-H Member's Record Book must have the current year's 4-H Yearly Record sheet FIRST, followed by Project Record for each project area, enclosed in a UConn 4-H Record Cover. A 3 ring binder may be used. The cover can be on the inside or the outside of the binder. Sheet protectors may be used with a front side showing and a back side showing in each page protector.
2. Current year's records and the completion of previous year's records will be judged. Check that last year's records were updated with fair participation, fair premium received, any awards for last year (i.e. club, fair, or county), animal feed sheets completed for August and September. Record books must have ALL previous years' records included to be considered for Top Awards. Page dividers may be used to separate each year.
3. Leader, parent or guardian's signature and date MUST be on the 4-H Yearly Record sheet. Independent members must have a parent or guardian's signature and date. No other record sheets require a signature.
4. Read General Rules and Regulations on page 10.
5. Record book pages are available online at s.uconn.edu/4-H.

TOP QUALITY Record Books will be recognized from those exhibited at the Fair. Two awards will be presented to Seniors who have earned a top quality Record Book. Criteria for these awards include completeness, including all past years, growth and development, neatness and effort. Second place will receive an award from Fair Association.

Once the 1st place award has been received, the 4-Her is no longer eligible for this Record Book Award. However, the 2nd place award can be received *more than once*.

Up to five awards for *OUTSTANDING RECORD BOOKS* exhibited by a *JUNIOR 4-H member* will also be awarded. There is no limit to the number of years that a 4-Her can receive this award.

Lanie Neumann Memorial Award

This award is open to any 4-Her who has submitted a record book for judging in at least two previous fairs. Judges will be looking for record books that express the 4-Her's enthusiasm for their 4-H experiences and projects, and who have demonstrated growth in their 4-H experience. Pictures are appreciated where appropriate in the record book. The Lanie Neumann Memorial Award may be awarded to the same 4-Her multiple times but no 4-Her can win the award two years in a row.

**The "Excellence in Record Keeping Travel Trophy",
donated by June Zoppa, will be awarded to the 4-Her exhibiting
the 1st place Top Quality Record Book.**

2024 CONNECTICUT FAIR AND SHOW REQUIREMENTS

FEDERAL ORDER: Effective April 29, 2024, all **lactating** dairy cattle are required to receive a negative test for Influenza A at an approved National Animal Health Laboratory Network (NAHLN) laboratory for **interstate movement**. Currently, the Connecticut Veterinary Medical Diagnostic Laboratory at UCONN is the only approved NAHLN laboratory in New England. **Milk samples** must be collected and submitted by the same Category II accredited veterinarian who is completing the health certificate and must be **collected no more than seven (7) days prior to interstate movement**. Lactating dairy cattle from herds which have tested positive for Influenza A are not eligible for movement for thirty (30) days from the most recent collection **of any sample that test positive for any individual animal in the herd**. After the 30-day period, animals must be tested again for movement. **No dairy cattle exhibiting clinical signs of HPAI will be allowed to move into Connecticut.**

GENERAL REQUIREMENTS

1. Health certificates signed by an accredited veterinarian and other required testing, with the exception of lactating cattle will be valid for the entire 2024 show season. If travelling to multiple New England States for exhibition, **see the Memorandum – Livestock Health Certificates for the 2024 Show Season** for additional requirements.
2. All animals and poultry entered at fairs and shows must be in good health and in proper physical condition and will be examined at the exhibition by the barn superintendent. **Evidence of poor condition or infectious or contagious disease or failure to produce the necessary documents for health certification, vaccination or testing will result in ejection. The Connecticut Department of Agriculture Livestock Inspector’s decision is final.**
3. Health charts and proof of vaccination where applicable are the responsibility of the exhibitor.
4. Each barn superintendent will collect and hold the Health Certificates from each exhibitor. Animals not in compliance with the state regulations for shows and fairs will not be allowed. A complete list, containing the name of exhibitor, address, animal ID (ear tag, tattoo, leg band), breed and age of **each** animal, and the total head count will be made available to the State Livestock Inspector and forwarded to the Connecticut Department of Agriculture, Bureau of Regulatory Services by the fair superintendent. **All animals and poultry present on the grounds should be identified on this list.** Any animal that is rejected should be noted as such with a brief statement of reason. Rejected animals or poultry should be removed from the grounds as soon as possible. **Any concerns about the health of any animal or bird should be reported to the State Livestock Inspector or the Fair Veterinarian immediately.**
5. Isolate all exhibited animals and poultry upon their return to the farm from other animals and poultry for 3-4 weeks to reduce the risk of disease exposure and transmission. Call your local veterinarian if your animals or poultry become sick to help you with diagnosis and treatment.
6. Contact the Bureau of Regulatory Services at 860-713-2504 if you have any questions.

CONNECTICUT ANIMALS:

*****All cattle, horses and sheep shall have a rabies vaccination given by a licensed veterinarian. The vaccination certificate must be signed by the veterinarian that gave the vaccination and include the animal’s identification and description, the name of the vaccine’s manufacturer, serial number and the date the vaccination was given and when it expires. If it is the animal’s first rabies vaccination, it must be given at least 30 DAYS prior to their first show date to be considered current.*****

1. **ALL SPECIES:** Animals must originate from herds or flocks that meet the testing and health requirements of the State of Connecticut. All swine must have a health certificate issued within 60 days prior to the first show by an accredited veterinarian. IMPORTANT NOTICE

*****All animals for which there is a licensed Rabies vaccine – cattle, horses, sheep, dogs, cats and ferrets – exposed to the public shall be vaccinated against Rabies. Animals not having an approved Rabies vaccination shall be displayed in a manner such that the public would not be in contact or exposed to saliva from those animals and have EASILY VISIBLE POSTED SIGNS OR TAPE stating, "CONNECTICUT RABIES ADVISORY NOTICE - DO NOT FEED OR TOUCH ANIMALS".*****

On August 4, 2009, the Department of Agriculture adopted regulations for the “**Control of Rabies in Public Settings**” which will be enforced at all Connecticut fairs and public exhibitions. The complete text of the regulations, RCSA §§ 22-359-1 through 22-359-5, follows this notice.

Its provisions include the following for both Connecticut and out of state animals:

(1) Animals for which there is a licensed Rabies vaccine

- Horses, cattle, sheep, dogs and cats must be currently vaccinated against rabies by a licensed veterinarian unless they are under the minimum age to be vaccinated. (Ferrets are also included in this category if displayed.)
- These animals must have a rabies vaccination certificate signed by the licensed veterinarian administering the vaccine that includes the animal's identification and description, name and address of owner, name of the vaccine's manufacturer, serial number, date the vaccination was administered and date when it expires.
- If it is the animal's first vaccination, it must be given at least **30 days** prior to the first show date to be considered current.

(2) Animals not having an approved Rabies vaccination

- Includes animals for which there is not a licensed rabies vaccine and animals for which there is a licensed rabies vaccine but are under the age to be vaccinated. (Most rabies vaccines are labeled to be administered when animals reach 3 months of age – young animals for exhibition should be vaccinated as soon as possible after 3 months of age.)
- Animals must be separated from the public by sufficient means to avoid direct contact with people and other animals, such as a double fence, plexiglass, or other means; or conspicuous signs or tape must be posted near the animal enclosure stating "CONNECTICUT RABIES ADVISORY NOTICE – DO NOT FEED OR TOUCH ANIMALS".

Yellow tape with the rabies advisory notice wording is available for purchase from the Department of Agriculture.

Please contact the Department at (860) 713-2504 if you have questions regarding the requirements, the rabies regulations or if you wish to obtain the rabies advisory notice tape.
