Please register by placing the name and age of each member who will be attending. Next **please place the numbers (1-13) in the spot under each workshop** to indicate preference. **(1) Being the most desired (13) being the least desired.** We will do our best to assign workshops by preference. We will be taking registration on a first-come-first-serve basis, with registration opening first to Middlesex County then to all others. We will most likely not fill all the way up – but if your group has strong preferences in what they would like to take for workshops I would register early. If you want a workshop that is only offered a few times – make it high priority! If directions are not followed we will assign workshops as we see fit. **Incomplete or incorrect forms will be moved to the bottom of the pile for workshop assignment,** so don't just pick 4! Expectation is that you will attend the entire day, not drop in for only a workshop or 2. **PLEASE – do not take a picture of this.** Attach file email or send the list and your corresponding choice number. Send to carol.birdsey@uconn.edu and donna.dione@uconn.edu.
