

Youth Workshop Descriptions

Mural Painting

Express Yourself: Community Mural Project

Join us in creating a vibrant mural that represents our community and your unique voice! In this hands-on workshop, youth will collaborate on a large-scale painting, learning about design, color theory, and storytelling through art. No experience necessary—just bring your creativity!

Storytelling

Tales That Inspire

Stories have the power to connect and inspire. In this session, youth will craft their own narratives, explore different storytelling formats, and practice sharing their stories in a supportive and fun environment.

Talent Show

Showcase Your Shine: Talent Show Prep

Get tips on stage presence, overcoming stage fright, and polishing your act. Whether you're a beginner or experienced performer, this workshop will help you bring your best self to the stage.

Beginner Wood Craft

Woodworking Basics: Build & Create

Explore the fundamentals of woodworking as you design and build a simple project. Gain skills in creativity, problem-solving, and craftsmanship!

Ribbon Wreath (Made with your show ribbons)

Don't let your show ribbons collect dust—transform your show ribbons into a stunning wreath that tells the story of your hard work and dedication. Bring your ribbons and we'll provide the rest!

Digital Media & Design

From Sketch to Screen: Intro to Digital Media and Design

Explore the world of digital media and design! Youth will learn how to create their own digital 2-D animation using beginner-friendly software and design principles.

Scrapbooking Memories: Tell Your Story Through Art

Learn how to organize and decorate your scrapbook pages using fun and easy techniques. Bring photos and personal mementos to create a lasting memory book!
