About 250,000,000
trees could be
saved each year if
every newspaper
was recycled

There are 5 intermediate
processing centers for
recycling in CT

On average a person
recycles about one pound
of recyclables each day

WE ENCOURAGE YOU

- Recycle two different items each day for two weeks
- Encourage your friends, family, and community to recycle an extra 10 items per week

Connecticut Environmental Action Day
