Dear 4-Hers, Families, Friends, and Supporters of the New London County 4-H Fair,

Hello, everyone!

Welcome to the 2025 New London County 4-H Fair and Exposition!

I first want to congratulate our 4-H'ers on their hard work and achievements throughout the 2024-2025 4-H year. They've taken on responsibility, overcome challenges, and put in time and effort every day to work on their projects. These skills and experiences demonstrate what the 4-H program is all about: learning by doing.

If this is your first year at the New London County 4-H Fair, welcome and congratulations! We hope you enjoy the full weekend of shows and activities we have planned. There's something for everyone—animal shows, pulls, ice cream socials, hay toss, robotics workshops, and the exhibit hall, just to name a few.

Over the last few years, our fair has expanded to include new programs and activities, like the pack goat show, archery demonstrations, and the square dance. These additions to our fair have helped 4-H'ers have diverse experiences. Thank you to all the 4-H'ers who worked hard to introduce these new events.

I would also like to say a special thank you to all our fair board members and show superintendents, whose hard work makes our fair run smoothly. Additionally, I'd like to thank all the 4-H'ers who sold ads for our ad campaign this year. Many of our ad salespeople graduated last year, and our ad campaign for this year was uncertain. However, our 4-H'ers' dedication to this effort and perseverance helped us achieve our ad goal.

Next, I'd like to thank our 4-H volunteers. Their work as mentors, club leaders, and role models provides support to the 4-H'ers who learn through their example. Thank you for making our fair the fun, uplifting environment it is. I would like to express sincere gratitude to all our 4-H parents for all their effort, patience, and involvement. Finally, I would like to thank our sponsors for their continued support in giving NLC 4-H the opportunity to come together and celebrate our community and the achievements of our 4-H'ers.

Thank you all so much for supporting our fair! Best of luck to our 4-H'ers and have a fantastic 2025 fair weekend!

Sincerely,

Liz Heydon

GENERAL RULES AND REGULATIONS

Important information for the 2025 NLC 4-H Fair:

All CT 4-H shows will adhere to health requirements and advisories set forth by USDA and State of CT with review and recommendations by UConn CAHNR. Please note, health requirements **may change** after animal verification forms and/or fair entries are turned into the 4-H office causing shows to be canceled or altered at any time.

- Competition will be open to New London County 4-H members enrolled by May 1, 2025. Entries may be made only under the name of the 4-H member, not under a farm or family name.
- All shows are open to New London County 4-H members only, except as noted below.
- 4-H Members from other counties may enter pack goat, sheep, dog, or robotics shows. Pet, sheep and robotics shows are open to all youth, they do not need to be 4-H members. See show listings for more details.
- Entries must follow the regulations of each class.
- All articles exhibited at this Exposition must be the property of the exhibitor except as noted.

- Animals must have been owned or leased by the exhibitor as a 4-H project since June 1 (except dairy, horse and beef cattle May 1). 4-H animal project verification forms, registration papers (for registered animals), leases (for leased projects) and health papers must be brought to the 4-H Exposition.
- Each animal or article will be judged according to merit.
- There will be no entry fee except as noted.
- All animal entry forms for 4-H exhibits must be received by July 23. See page 8 for digital entry form links. Paper versions may be requested. Please do not submit forms from previous years.
- All 4-H'ers must have proof of an approved CT 4-H Record Book containing the Activity Record and at least one Project Record to enter any exhibit in the Fair. - The 4-H'er has the option of entering the record book for judging.
- The Executive Committee will use all diligence to ensure the safety of exhibits after their arrival on the grounds but will not be responsible for any loss or damage that may occur. It is important that all exhibitors give personal attention to their property, and at the close of the Exposition take charge of the same. The 4-H Fair Association and North Stonington Grange will not be held responsible for or liable for any accident that may occur on the grounds.
- The Executive Committee, composed of 4-H Expo officers and mentors and the Extension 4-H Program Coordinator shall have the power to give recognition to any exhibit for which there is no appropriate class.
- No alcoholic beverages or illegal drugs will be allowed on the fairgrounds at any time. Any 4-H member in violation of this rule will not be allowed to show or exhibit his/ her project and will forfeit all prizes. Adults will be asked to leave fairgrounds.

- Once animals are safely unloaded, only 4-H'ers may work with them. In a situation where safety is an issue, an adult may assist as needed.
- Each Superintendent has an adult mentor. Problems, questions of rule interpretation and need for help should be brought first to the attention of the 4-H superintendent and adult mentor for that exhibit area. They will consult the Executive Committee for a decision if warranted.
- 4-H livestock exhibitors staying overnight to care for their animals must turn in an "Overnight Permission Form" signed by their parent and by their adult chaperone. 4-H'ers staying overnight must be on the fairgrounds by 9:00 p.m. and stay until morning.

- All exhibitors with animal projects are required to participate in fitting and showmanship classes. Pets and exotic animals that are not handled are exempted.
- Every class is judged using the Danish System: these ribbons are used in awarding Premium Points. Judges may also use Rosettes as placement ribbons at their and the Superintendents' discretion.
