Please register by placing the name and age of each member who will be attending. Next, **please place the numbers (1- 8) in the spot under each workshop** to indicate preference: **(1) being the most desired, (8) being the least desired.** We will do our best to assign workshops by preference. We will be taking registrations on a first-come, first-served basis, with registration opening first to New London County and then to all others. We will most likely not fill all the way up, but if your group has strong preferences in what they would like to take for workshops, you should register early. If directions are not followed, we will assign workshops as we see fit. **Incomplete or incorrect forms will be moved to the bottom of the pile for workshop assignment,** so don't just pick 4! The expectation is that you will attend the entire day, not drop in for only a workshop or two. **PLEASE – Do not take a picture of this form and send it in.** Attach file to an email or send the list and your corresponding choice numbers.
