National 4-H Award Trip & UConn 4-H State Council Application Process

National 4-H trips and UConn 4-H State Council are exciting leadership opportunities within the 4-H experience. To apply for selection to attend a National 4-H award trip or to join the UConn 4-H State Council, you are required to submit a UConn 4-H Recognition Form by the required deadline and take part in an interview. Selection for these opportunities is based on your cumulative 4-H involvement. Presenting a neat, thorough, and complete application illustrates your interest in the opportunity and the effort you've invested in the process. To make the most out of the National 4-H award trip application process here are some rules that need to be followed:

- A completed UConn 4-H Recognition Form must be submitted to the county 4-H office by the county deadline date. A completed application includes:
 - A typed application. Handwritten forms will not be accepted
 - A high-quality resume which includes all relevant 4-H experiences
 - All required signatures
 - The application will be evaluated using the rubric below
 - A recommendation form that is attached to the recognition form or sent separately to the county 4-H educator. Do not send recommendation forms to the State 4-H Office

Your county 4-H educator will review your application to make sure it is complete and will then sign it and forward it on to the State 4-H Office by the state deadline date. Incomplete applications will be returned to the applicant. Recognition forms will be evaluated, and applicants with qualifying scores will be invited for an interview as part of the selection process.

Qualifying applicants will be contacted by the State 4-H office and/or UConn 4-H State Council Advisors to schedule their interview. Once the interviews have been completed, applicants' scores for both their recognition form and their interview will be totaled and an average score determined for everyone.

Applicants will be required to bring their record book to the interview. For those who do not have a record book, an activity record sheet must be brought to the interview.

Attention will be paid to the leadership and civic engagement experiences that you list on your application. Take time to think of all the leadership and civic engagement activities you have taken part in throughout your 4-H career. Use strong action verbs to highlight your role and explain how you demonstrated leadership – an action verb list is included in this packet to guide you. If you are re-submitting your application for an additional trip or in a new year, be sure to update with any new activities or awards.

Correct spelling and grammar are important parts of your application. Take the time to check your spelling and grammar. It's always a good idea to have an adult review your application before you submit it because they may spot errors you have missed.

2027 UConn 4-H Recognition Form & Opportunities

The UConn 4-H Recognition Form is used to select 4-H members for State, Regional and National 4-H Events and other 4-H opportunities. The form is for 4-H members 14 or older as of January 1st. Please note that you must submit an updated form for each of the award trip deadline dates (June and October). A form submitted for consideration in October will not automatically be considered for the June award selection process. You must submit a new form even if there are no updates to it.

Description of All National 4-H Opportunities

Ignite by 4-H – For four days, teens from all over the country come to Washington D.C to collaborate, connect, and cultivate a passion for expanding their minds and their world – becoming resilient and ready for everything life has to offer. Teens will immerse themselves in hands-on workshops, experiences, and activities in their key programming areas of Agri-science, Animal Science, Community Accelerators, CWF @ Ignite every other year, Healthy Living (featuring soccer), or STEM to continue to find their spark. With the addition of public speaking, career and life readiness, and presentation workshops, teens will be able to apply what they learn to their own lives and take a step forward to becoming Beyond Ready for the future. This trip requires a \$750.00 deposit from all youth, flights are covered by the 4-H Development Fund

National 4-H Conference - is a working conference in which delegates explore current issues affecting youth and the role 4-H can play in addressing those issues. Each youth chooses their topic before they arrive for a conference. During the conference, youth develop a presentation on their findings/discussions to share with a federal agency's key decision makers. This event also includes Capitol Hill visits along with monument tours and other social activities. This trip is free outside of travel meals thanks to our generous donors to the 4-H Development Fund.

National 4-H Dairy Conference - provides an opportunity for youth to meet with members of the dairy industry and develop a better understanding of the production and marketing of dairy products as well as provide a broad understanding of careers available in the dairy industry. A variety of tours and workshops are offered to meet these objectives. This trip is free outside of select meals thanks to our generous donor the Diebold Foundation.

National 4-H Congress - National 4-H Congress is a pinnacle event of the 4-H experience providing workshops focused on the 4-H mission mandates, hands-on service-learning experiences, challenging speakers, and opportunities for networking and recreational activities. This trip is free outside of select meals thanks to our generous donor the Diebold Foundation.

UConn 4-H State Council - UConn 4-H State Council is a statewide youth leadership team whose mission is to educate and enhance 4-H in Connecticut through leadership, civic engagement, and support of 4-H activities.

The University of Connecticut complies with all applicable federal and state laws regarding non-discrimination, equal opportunity and affirmative action, including the provision of reasonable accommodations for persons with disabilities. Extension program participants with disabilities may request reasonable accommodations to address limitations resulting from a disability.
