

To Whom It May Concern,

For almost 75 years the New London County 4-H Fair has existed as the premier event for 4-H youth around the county to showcase exhibits from a host of project areas and the hard work that goes into making those projects something to be proud of.

The county 4-H fair, planned and operated by 4-H members and adult advisors, culminates a year of effort in the 4-H member's project area. Cattle, goats, rabbits, sheep, swine and poultry are the featured livestock projects. Throughout the years, youth have also showcased exhibits in art, photography, horticulture, sewing, robotics and any number of other project areas of interest.

In order for our fair to be successful however, we need the continued support of our community business partners. That is why I am writing to hopefully enlist your assistance in supporting the young people of New London County and all the great accomplishments they achieve through their work in 4-H and the countless hours they spend in preparation for the fair itself. The generous contributions of companies like yours help us to make this wonderful outreach experience possible.

Please note that your donation is tax deductible. The New London County 4-H Club Fair Association, Inc. is recognized by the Internal Revenue Service as a 501(c)(3) since 1967. The Fair Association's EIN is 06-6089732. Donors may deduct contributions as provided in section 170 of the code.

If you have any additional questions or are interested in exploring other ways to help support this event or our county 4-H program please feel free to contact me at the phone number listed below or by email at marc.cournoyer@uconn.edu. We also invite you to come see all our youth in action at this year's 4-H fair on August 7-9, 2026.

Sincerely,

Marc L Cournoyer
